

FAQs:

Do I need an internet connection?

Yes, to download the Kanopy app and to stream movies.

Is special software needed to watch movies on my computer?

No, Kanopy titles can be watched in a web browser. More details about supported systems and browsers.

Will the Kanopy app use my cellular data?

Yes, Kanopy will use cellular data. We recommend disabling "Cellular Data" in the app settings so Kanopy will only stream using WiFi.

Do I need a library card?

Yes, you will need your library card number to create a free account with Kanopy.

What happens when a title expires?

The titles will automatically return themselves, no action is needed on your part.

Kanopy digital apps:

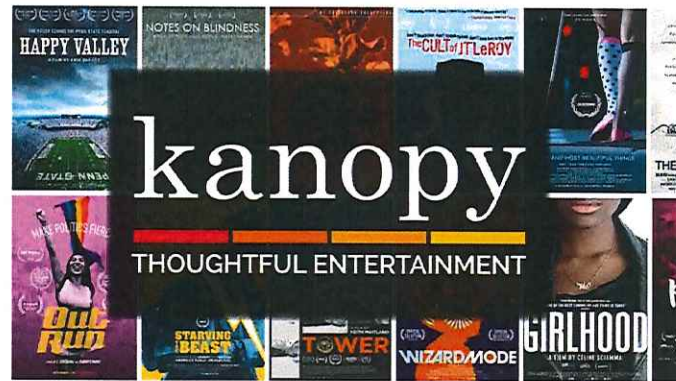

- iOS
- Android
- AppleTV
- Roku
- Chromcast

How many movies can I request?

Atheneum patrons have a checkout limit of 10 checkouts per month; they reset on the first of the month.

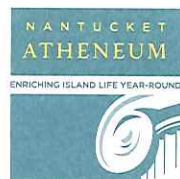

How long is the loan period?

Once you press play, the movie will be available to watch for 3 days.

Sign up on a Computer

- Visit our website at:
www.nantucketatheneum.org

- **Go to:**

FIND BOOKS, MOVIES & MORE

- **Click on:**

Stream Movies and TV

- **Click on the Kanopy icon:**

- In the upper-right corner, you will see *Sign up*
- Enter your name, email address, and create a password
 - ⇒ The system will ask you to verify your email address
- When prompted, search for the “Nantucket Atheneum” and enter your library card number

Sign up in the App

- Open the app store on your mobile device and search for “Kanopy”

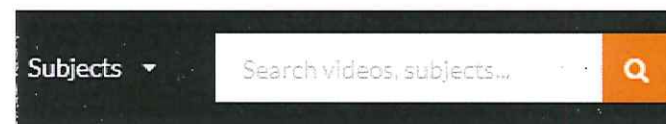

- Install and open the app
- Enter your name, email address, and create a password
 - ⇒ If you have already signed up, click “I already have an account” at the bottom
- The system will ask you to verify your email address
- When prompted, search for the Nantucket Atheneum and enter you library card number

Tip: If you can't find something, Kanopy uses three parallel lines to indicate a menu, like this:

Watch Movies

- Once you have logged in you should see the total number of checkouts available
 - ⇒ 10 checkouts per month
 - ⇒ Checkouts reset on the first of the month
- Search for titles at the top or choose a subject to browse

- Click on any movie to start watching or learn more
- After pressing play, movies can be watched for 3 days
- In the mobile app, use the **Settings** menu to control use of cellular data
 - **Note:** Kanopy streams movies using cellular data and WiFi on mobile devices. Check your settings and cellular plan to prevent data overages.
