Welcome to our 2020 summer reading program! Readers keep track of their reading by filling in the amount of minutes spent reading on the clocks below. Complete each clock before moving on to the next for a total of 20 hours of reading. Read to others, have others read to you. All the time you spend with books and reading counts on your reading record! When the clocks are filled bring it back to the Atheneum and drop it in the book return. This year the staff of the Atheneum will make a donation, on behalf of all our readers who complete the challenge, to the Nantucket Community Foundation's GIVE NOW! NANTUCKET FUND FOR EMERGENCY RELIEF A COVID-19 Response.
